總幹事的話：

近期，相信圍繞著大家的其中一個最主要的話題，就是在今年1月30日，一位14歲的華裔少女在家中服用芬太尼致死。少女的父母痛問政府：為何不能強制戒毒？其實，這不是第一，也不會是最後一起青少年吸毒過量致死的案例，如果毒品政策不調整的話。

早在2022年8月，高貴林港就有一名14歲少女Sword，在家中臥室被發現吸毒過量死亡。

2024年1月維多利亞大學一年級的學生Sidney，也被發現在校園宿舍因服用芬太尼中毒死亡。

為了因應無法預測或受污染的街頭阿片類藥物，有些醫生只好開出另一種被視為「安全藥物」的氫嗎啡酮（hydromorphone）。不幸的是，儘管這種處方藥也許沒有受到污染，但它是一種效力不亞於海洛英的鴉片劑，在喜士定東街（East Hastings）60元買到40粒（也就是每粒1.5元）的氫嗎啡酮一點也不困難。

一位從12歲就開始服用芬太尼的少女M現身說法：表示隨著身體對氫嗎啡酮的耐藥性逐漸增

加，她的毒癮也越來越深，導致她也去嘗試了芬太尼。她估計在自己的校園內，有一半的中學生都在服用氫嗎啡酮或芬太尼。

由此可見，目前的毒品政策，不是正在危害我們的孩子，而是“已經”在危害了我們的孩子。但是，我們可以為了挽救我們的孩子做些什麼呢？

我想，我們的個人力量是非常有限的。我們應當集合力量，群體發聲，更重要的是利用我們手中的一票，選出一個好政府來幫助我們調整毒品政策。

然而，我們大多亞裔族群總是抱著一種事不關己，高高掛起的心態：“我家沒孩子”，“我孩子很乖”，“我們的社區很安全”等等。

果真事不關己嗎？非也！非也！筆者參與福音戒毒工作已有33年了，在本地所創辦的福音戒毒中心，也有12年的歷史了。

在這些年間，筆者確實親身接觸過擁有碩士學位，和來自富室大家的吸毒者。這些都是住在很安全的高尚住宅區的孩子，最

終還是難逃毒爪。

過去我曾幫助過、輔導過、約見過的孩子，總是會在其家長的口中聽到：“我的孩子是很乖的，很聽話的，功課也很好，而且自小就在教會長大。他就是交了壞朋友，才開始染上毒癮。”

其實，以筆者33年的經驗，許多少年人染上毒癮，九成九都是因為交了壞朋友。

而就我們之前介紹的少女M所說的，估計在校園內，有一半的中學生都在服用氫嗎啡酮或芬太尼。

在這毒品汎濫的環境，以及縱容毒品的政策之下，對於商家、住宅、路人、老人所面對的爆竊、偷盜、搶劫、無故傷人等事件，時有所聞。

通過以上所述，我們還能認為事不關己嗎？是事未達己罷了！

除了以上所述我們所能做到的，我想，身為基督徒的我們更應該常為此事禱告。正如箴言書16章3節所說的：“你所做的，要交托耶和華，你所謀的，就必成就。”阿門。

代禱事項/ Prayer Request

1. 感謝上帝，我們在 2 月至 3 月接受了兩位新弟兄。一位是 27 歲的 John，另一位是 21 歲的 Nick。請大家在禱告中記念他們，求主的靈在他們心中動工，轉化他們的生命，使他們成爲新造的人。
Thanks to God, BMC has accepted two new brothers in February and March. One is John who is 27 years old and the other is Nick who is 21. Please remember them in your prayers and ask the Lord's Spirit to work in their hearts to transform their lives and become new creations .
2. 在新冠疫情過後，我們的奉獻都有明顯的下降了。從 2022 年到現在，每年都出現三四萬元的不敷，去年更達到五萬元的不敷。願主能感動弟兄姐妹常記念加拿大突破宣道-生命轉化中心的需要，讓我們能在這場抗毒的屬靈爭戰當中，可以拯救更多家庭與性命。
In the aftermath of the Covid-19, there has been a significant drop in our offerings. From 2022 to now, there is a shortfall of \$30,000 to \$40,000 every year. In last year, there is even a deficit of \$50,000. May the Lord move our brothers and sisters to remember the needs of BMC - Life Transformation Center, so that we can save more families and lives in this spiritual battle against drugs .
3. 在整個毒品政策的大環境底下，求主保守本地青少年曉得毒品的禍害，遠離毒品，保持身心健康的嗜好與生活。
Pray for awareness of the harm and danger of drug usage among our young people, that they may stay away from substance use and maintain a sound and healthy life .

Words from Executive Director:

I think one of the most heated topics around us recently is that on January 30th this year, a 14-years-old Chinese girl died at home after taking fentanyl. The parents of this young girl asked the government with great sorrow, "Why can't we have mandatory drug rehabilitation?" This is not the first, nor will it be the last case of a teenager dying of drug overdose, especially if the drug policy remains unchanged.

Back in August 2022, a 14-years-old girl named Sword was found dead of a drug overdose in her bedroom in Port Coquitlam.

In January 2024, Sidney, a first-year student at the University of Victoria, was found dead of a fentanyl overdose in her campus dormitory.

As a response to unpredictable or contaminated street opioids, some doctors resorted to prescribing an alternative, hydromorphone which is considered to be a "safe drug". Unfortunately, while maybe not contaminated, it is a opiate as potent heroin which can be sold at \$60 for 40 pills, i.e. \$1.50 per pills, on East Hastings.

M is a teenager who has been taking fentanyl since she was 12 years old. According to her personal experience, as her body tolerate to hydromorphone grew, so did her addiction. Eventually, she was led to use fentanyl. She estimate that half of her secondary school students were taking either hydromor-

phone or fentanyl.

It is clear that the current drug policy had already endanger our children, what can we do about it ?

I think our individual influence is very limited. We should gather together, to speak out as a group. More importantly, by voting a good government could help us tighten the drug policy.

Most of us in the Asian community, however, have the mentality that it's none of my business: "My family doesn't have kids." "My kids are good." "My neighborhood is safe." etc.

Is it really none of your business? No! No, it is not! I have been involved in Gospel drug rehabilitation for 33 years. I am working with Breakthrough Missions Canada (BMC), a locally founded Gospel drug rehabilitation centre, for 12 years.

During these years, I did personally come into contact with drug addicts who are highly educated and come from wealthy families. These are young people who live in very safe and high class residential areas, but eventually they cannot escape from the claw of drugs.

The parents of the children I have helped, counselled, or met in the past always say, "My child is very good,

very obedient, does well in his school, and has grown up in the church since he was a child. It is only when he made bad friends that he started to become addicted to drugs."

In my 33 years of experience, 99% of the people who become addicted to drugs start when they associate with bad friends.

As the young girl M, whom we introduced earlier, said, she estimated that half of the middle school students in campus are taking hydromorphone or fentanyl.

In this drug-ridden environment, and with such a loose policy towards drug usage, it is not uncommon to hear of burglaries, thefts, robberies, and unprovoked attacks from time to time. Businesses, homes, passersby, elderly; anyone may become a victim.

Having said these, how can we still think that it is not our business? We may be next in line be the next victim!

In addition to what we can do, as mentioned above, I think, as Christians we should always keep praying over this matter. As Proverbs 16:3 says, "Commit to the Lord whatever you do, and He will establish your plans." Amen.
